Visiting Professional Figure Skating Instructors (Visiting Pro's) may teach their students during HFSS sessions subject to the following rules and regulations:

1. A visiting Pro is defined as a non-local area resident Pro who wishes to teach private lessons to his or her own visiting students during HFSS sessions for a predefined limited period of time not to exceed three (3) months.

2. The visiting Pro agrees to abide by all of the policies and procedures of the HFSS.

3. The visiting Pro must agree to pay a HFSS utilization fee equal to fifteen percent (15%) of the monies received by the visiting Pro for private lessons conducted on HFSS sessions. The utilization fee may be reduced or waived at the discretion of the Director of Skating (DoS) if the amount of business brought to the HFSS by the visiting Pro warrants such consideration.

4. The visiting Pro must sign a standard HFSS waiver form.

5. The visiting Pro is not permitted to solicit local students and is not permitted to provide instruction to local students without the express prior approval of the HFSS DoS.

6. Each student of a visiting Pro must become a HFSS registered student. Specifically, each visiting student must complete a HFSS contract and sign a HFSS waiver form. Visiting students will be charged the normal School ice time rate.
