Any skater who is not a member of the Huntsville Skating School and Training Academy (HSSTA) and wishes to skate on HSSTA freestyle sessions is considered a “visiting skater.” Visiting skaters must be a member of another figure skating school or club and have achieved at least the United States Figure Skating (USFS) Pre-Preliminary level. Those who have not yet achieved this level and wish to skate at this facility may skate on a public session.

The freestyle rate for visiting (non-member) skaters is \$10 per 30 minute session. All freestyle sessions for visiting skaters are treated as walk-ons and are subject to the rules and policy guidelines outlined in Policy 4.1.10 (Walk-on Policy). Visiting skaters do not have the privilege of reserving freestyle sessions in advance and they are not eligible for any multi-session or other discounts.

All walk-on requests are subject to availability and are at the discretion of HSSTA office staff. Any available slots will be given on a first-come, first served basis. Any level or discipline restrictions already in place for a session remain in place for walk-on skaters.

Visiting skaters must pay all ice time charges at the time of the session.
